

## Summer Camp Sessions - 2009

- Camps are filled on a “first-come, first-serve” basis. To maintain the quality of our programs, we reserve the right to limit class size, or to cancel a course if insufficient registrations are received.
  - Due to the nature of some of the camp activities (i.e. art projects, parts in the musicals, etc. ) it is necessary that all campers attend each day.
  - Complete the registration form below and return with appropriate fee (as listed below) to Sandra Flurer in the school’s front office. The attached Medical Form should also be returned with this registration.
- **Refund Policy:** After June 1, 2009, neither refunds of prepaid tuition can be made, nor can forfeited payments be applied to annual school tuition accounts.
  - **Cancellation Policy:** Occasionally insufficient registration means that we may have to cancel a camp. If we cannot offer an acceptable substitute, the fees for that camp will be fully refunded.

• Any questions, please contact Lisa Cook, Summer Camp Coordinator, at the school 410-641-3575.
